The information below is associated with the Age Chart above.

The list above is a “menu” of divisions that may be offered by an individual event producer. An event producer does not have to offer every division listed above. A USASF-member event producer may only offer divisions from the grid above, unless prior written approval is granted from the USASF.

The age of the competitor as of May 31, 2006 will be the age used for competition purposes throughout the 2006-2007 season for all divisions.

For any event producer that will offer bids to the USASF's "2007 Worlds Competition", at least 5 members are necessary to constitute a team and a maximum of 35 members are permitted on a team. Therefore, the division of "Small" and "Large" is as follows for event producers sending all-girl teams to the Worlds from the Senior Division:

Small -- 5 - 20 Members

Large -- 21 - 35 Members

For co-ed teams from the Senior division that will go to the "2007 Worlds Competition" the squad number must be from 5 - 35 members. Therefore, "Limited Co-Ed" (1-4 males) and "Unlimited Co-Ed" (5 or more males) is split according to the number of males on the team, not by the total number of members (male/female) on the team.

Co-ed and/or small/large divisions may be combined to one division depending upon the final enrollment for a particular competition. This decision will be made by the event producer holding the competition.

For Junior and Senior divisions, there will be no “Co-Ed” designation for Levels 1 and 2.

-- These divisions may be split into small (5-20) or large (21+). This decision will be made by the event producer holding the competition.
